COURSE OUTLINE

It is an international English proficiency test for students who want to study abroad, emigrate, or get a job in English-speaking countries.

Students can quickly improve their skills and achieve their target scores through hands-on lessons with **experienced and excellent CELLA teachers**.

IELTS test is divided into two modules.

Academic

Preparing to study abroad

Evaluation of whether English activities are possible in the university, graduate school, and professional environment

General Training

Preparing for immigration

Immigration, vocational education program activities and Evaluation of whether English activities are possible in real life

The test module (Academic / General Training) selected at registration cannot be changed in the middle of the specified study.

Proven, high-quality IELTS professional teachers

CELLA invites IDP and British Council instructors to train our high-quality instructors by conducting professional teacher training programs.

Intensive training from strategy to practice

Students in the IELTS concentration/ guarantee class who aim to achieve high scores in a short period of time will develop their sense of practice through mock tests and receive intensive training for each part.

CLASS CONTENTS

Class	Subject	Class Description
1:1	Speaking	Based on speaking official exam questions, study various expressions and how to respond.
1:1	Listening	Improve listening skills and study words related to IELTS and expressions that are frequently asked.
1:1	Reading	Focus on reading comprehension, correct pronunciation and knowing new words in preparation for actual tests.
1:1	Writing	Classes are held to improve students' writing skills with appropriate words to be used and its grammatical structure necessary for writing.
1:1	Diagnostic Test & Review	It is a time to take the official test based from what they have learned with their teachers every day to check ones progress and improvement.
GC	IELTS Debate-Driven	This course immerses students in an interactive environment where they can express agreement or disagreement with various opinions, enhancing their confidence and interpersonal skills.
GC	IELTS Writing Boost	Focused on Writing Task 2, this course aims to expand students' knowledge and resources by fostering peer discussions and collaborative brainstorming.
GC	IELTS Grammar & Voca	Students will learn to construct complex sentence structures, use useful transitional phrases, and apply advanced collocations, all based on the band descriptors for speaking and writing.
GC	IELTS Techniques & Strategies	This course emphasizes time management, as well as skimming and scanning skills, while ensuring students are familiar with the format and requirements of each section of the test.
GC	Native English	Study various phrases and expressions that are useful for survival English.

* **1:1 - MAN to MAN Class**

Students new to IELTS can start with the basics, and classes will be held to prepare for the actual test for those looking to improve their skills and achieve target scores quickly. Additionally, those studying intensively can take these classes for further improvement.

* **GC - Group Class**

Through group classes, you can practice a time-framed speaking opportunity and prepare for the exams with a similar atmosphere during the official test. This class is to improve your speaking skills using the accredited test samples conducted by many people.

IELTS Guarantee Special Benefits

- Take the official exams 10 weeks after the start of the class / **One-time test fee support**
- If the official IELTS score is lesser than the guaranteed, **the tuition fee is free of charge until the target score is obtained.**
- Dormitory fee & other local fees are to be covered by the student. Attendance in class must be 100% + Progress Test
- Must have zero warning for any violation of CELLA rules

✂ CELLA is IELTS' official test reception.
