My IELTS skills improved significantly.

Especially in speaking, listening, reading, and writing. With professional guidance and daily practice, I gained the confidence to communicate clearly with international students and use English in real situations.

I made new friends and enjoy living in Cebu.

I'm 11 years old and studying English at WINNING. I chose this school because I want to improve my English, and my parents and friends recommended it. I like the friendly teachers and fun classes. They are kind and patient.
